

Daycare Policies

All dogs must come in for an assessment before they are allowed to book with our facility. Areas evaluated are-socialization, aggression, kennel stability, anxiety. During check in your pet will be evaluated for sores, injuries, fleas, etc. If your pet has fleas, you will be charged an additional \$40.00 for a flea bath. If your pet has any medical condition noticeable, we reserve the right to have your vet sign off on their stay and if your pet has any of these symptoms do not bring them to daycare.

- Coughing
- Sneezing
- Diarrhea
- Open sores
- Recent surgery

We do not house any aggressive dogs. If your pet becomes aggressive during his stay, you will be contacted, and other arrangements will need to be made and your pet picked up as soon as possible.

Daycare cost

- One dog is \$21.00
- Two dogs \$35.00
- Three dogs \$45.00

Food needs to be packaged in baggies and labeled. Vaccine records must be sent in advance of daycare.

- Distemper
- Bordetella
- Rabies

Flea protection is recommended. (Not collar type)

Flea collars are recommended to be taken off during the stay. When dogs play it's an easy target as they do not buckle. We are not responsible for lost or chewed flea collars.

Grooming must be scheduled along with daycare dates if you are wanting your pet groomed.

Daycare packages are available, or you may leave your card on file, or pay cash/CC at drop off.

Things to know about daycare:

- The pack can play rough at times
- Your pet may get scratched as dogs play with their mouth and paws. We do not tolerate dogs that fight, but they do spar and wrestle.
- Your pet will go home tired and possibly thirsty. We offer water indoors and outdoors, but some dogs are still very thirsty when they leave.
- We play in all weather and sometimes your pet will be dirty or damp at pick up.
- Just like a child's daycare your pet may pick up germs or other ailments associated with pack play such as an eye infection, parasite, kennel cough (different strains than what the vet has vaccinated your pet), sore muscles, torn muscles, scraped pads, cracked nails. We will not be held responsible for these sort of ailments as it's a known risk of having your pet play in a pack setting.
- We take every precaution to keep a safe environment but that is not 100% effective at times.
